

a place of mind

The **University of British Columbia (UBC)** is Canada's third largest university and consistently ranks among the 40 best universities in the world. Primarily situated in Vancouver, UBC is a research-intensive university and has an economic impact of \$4 billion to the provincial economy. The **UBC Faculty of Medicine** educates health professional and life sciences students at the undergraduate, graduate and postgraduate levels, and pursues research – in the laboratory, in clinical settings and at the population and public policy level – to improve the health of people worldwide.

**BC Children's Hospital (BCCH)** cares for the province's most acutely ill or injured children and youth and pediatric patients with chronic medical disorders, and provides developmental and rehabilitation services to children and youth throughout BC. BCCH offers a wide range of health services and specialized health programs, is a leading acute care teaching facility, and conducts research to advance health and care through the BC Children's Hospital Research Institute, in partnership with the UBC. The pediatric residency program and 16 pediatric subspecialty training programs are accredited by the Royal College of Physicians and Surgeons of Canada.

### **Pediatric Residency Program Director (0.50 FTE)**

**The University of British Columbia, Department of Pediatrics  
BC Children's Hospital**

The University of British Columbia, Department of Pediatrics is seeking a pediatrician to oversee and lead the further development of the Pediatric Residency Program. This is an ideal position for a leader who is excited by the challenge of expanding the program and developing new and innovative models for residency education.

The successful candidate will be an experienced clinician, as well as have experience in educational program management, have been involved in distributed learning models, and have a track record of scholarly educational activity. Demonstrated leadership qualities and a successful history of working in an adult learning environment are essential.

Review of applications will commence immediately. Interested applicants should submit a letter and their curriculum vitae including a list of four references by March 31, 2017 to:

Allison A. Eddy, MD, FRCP(C)  
Hudson Family Hospital Chair in Pediatric Medicine  
James & Annabel McCreary Chair in Pediatrics  
Professor and Head, Dept Pediatrics, Faculty of Medicine, UBC  
Chief Pediatric Medicine, C&W Hospitals & Sunny Hill Health Centre  
Provincial Health Services Authority  
Room 2D15 – 4480 Oak Street, Vancouver, B.C. V6H 3V4  
Tell: 604-875-2923 | Fax: 604-875-2969 |  
[Allison.Eddy@cw.bc.ca](mailto:Allison.Eddy@cw.bc.ca).

The anticipated start date is July 1, 2017.
