The Department of Pediatrics Research Day 2011 begins with Grand Rounds and includes Advances in Pediatrics. Research presentations by Pediatric Residents, Sub-Specialty Residents and Fellows make up most of the program.

Some residents and fellows will compete for Best Resident and Best Fellow Research Paper; the winners move on to the National Pediatric Research Competition for Residents and Fellows in Winnipeg May 12, 2011.

**Pediatric Grand Rounds** 8:30-9:30 AM  
**Coffee Break** 9:30-9:50 AM
