The Department of Pediatrics Research Day 2012 begins with Grand Rounds. Research presentations by Pediatric Residents, Sub-Specialty Residents and Fellows make up the majority of the day’s program.

Some residents and fellows compete for Best Resident and Best Fellow Research Paper; the winners move on to the National Pediatric Research Competition for Residents and Fellows in Winnipeg in May 2012.

**Pediatric Grand Rounds**
8:30-9:30 AM

**Coffee Break**
